May 16, 2019

Dear Parent(s)/Guardian(s):

As we near the end of an outstanding 2018-2019 school year, we would like to reemphasize the importance of school expectations that are listed below:

- Students should continue to arrive to school on time and depart after school has ended.
- Parents should remind students to act accordingly during hallway transitions, bathroom breaks and in the cafeteria.
- Students will continue to follow all school rules (Including Dress Code).
- Beginning on May 20, 2019 students will no longer be able to bring book bags to school.
- Parents and guardians should be reminded that picture ID's will still be required for student check out. Please be prepared to have your ID available to assist front office staff.

School attendance matters and it is important to your student's academic, personal/social, and post-secondary success. To ensure that our students have every opportunity to be successful in school, we request your continued support, assistance and commitment to making sure your student attends school on time. **Below will list our school's start and end times during our final exam days, May 22-23, 2019:**

- **Class start time 8:50 a.m., Dismissal 12:45 p.m.**

To maintain a supportive learning environment, students have been taught the behavioral expectations of our school through Positive Behavior Intervention Strategies and/or the Multi-tiered System of Support. We have worked as a school community to make sure that our students know and understand the expectations of good behavior and are able to make the connection between school attendance, good behavior, academic achievement and school success.

Our administrative team, faculty, and staff are committed to ensuring a safe closing of the 2018-2019 school year. Students will continue to receive quality instruction with learning opportunities through the use of classroom resources. We look forward to your continued support in preparation for a safe and productive school closing.

Sincerely,

Michael H Robinson, Ed.D.
Principal
